I may remind you that the nearest big center for groceries, cash and gas is Creston, $\frac{3}{4}$ hour away, so please do your shopping before arrival. Payment for the cottages can be made by cheque, cash or Pay Pal for credit card use. The local Destiny Bay Grocers, 1 km south and Lakeview store 20 km north will have only basic needs. We do provide some breakfast makings for your first day.

Directions

12168 Hwy 3A

Boswell is a 30km long Rural Community, Destiny Bay is the only store.

Driving north on Hwy 3A after you leave Creston, it will take you approximately 50km (40 minutes) to get to the Cottages. You will pass the Glass House on your way (it is approximately 6 km south of the Cottages), then you will see Destiny Bay Grocers on your right. Turn a corner or two on the hwy and my driveway is near the end of that long stretch of road before the down hill. Look for a colorful fabric sign on the right with the number on it of 12168. There is also a small flag or air-dancer.

Our paved road goes in a southward direction up the rather steep incline. Park where the pavement ends and you are at the two lower Cottages. The Rustic Log Cottage entrance is on the south side and the Modern Retro Cottage is on the north side with a blue grey door. The Lofty Barn entrance is on the north side of the upper building, upstairs, and the Hobbit house entrance is on the south side downstairs. Simply arrive and make yourselves at home!

Driving south from the Ferry through Crawford Bay, it will be approximately 30km to Boswell. Watch for the small church and then my driveway will be on your left about 1km soon after you pass the public boat launch.

Welcome and Enjoy!
